

About Us

Our Mission...

To provide City of Riverside employees with contemporary and professional learning and development opportunities which:

- Are in direct alignment with the City of Riverside's organizational objectives (including the City's Renaissance initiative), and geared toward their fullest attainment.
- Increase skills and competencies for greater efficacy of work performance.
- Stimulate and support talent retention, career advancement, and succession planning.
- Inspire employees to pursue excellence and achieve their utmost potential.
- Enhance employees' quality of life within the work environment.
